I am looking forward to seeing you there. Dave Parsonage.

Lion Gerry Cano has amassed information on the drug problem in our area. He would like help for his committee and distribution of materials.

Lion Dave Grace is organizing the annual TAG outing. Please let him know if you are able to assist in any way.

Lion John Jacoby reports that this Spring, 161 children from five pre-schools were screened during the vision screening sessions. There were 9 children referred for further medical testing. This represented 59.5 Lion volunteer hours and 16.5 non-Lion service hours.

Lion Dave Parsonage reports that Spring Road Clean Up is complete. Tarr Hollow Road was cleaned up on May 25, and Bulltown Road was cleaned up on May 26. Six Lions and one other person participated in the clean-ups. A total of 12 bags of trash was collected, and 13 Lion hours were tallied. Our thanks to our partners in the Municipality of Murrysville Public Works Crew for all their help. My great appreciation to all who participated. I will be submitting an article for hopeful publicity in the *Penn Franklin* to share our work with the community. Dave Parsonage
